Terms & Conditions: Ask a member of the team to view our allergen information. Please advise the team of any dietary requirements before ordering. (V) Suitable for Vegetarians. (VE) Suitable for Vegans. Please note that we do not operate a dedicated vegetarian/vegan kitchen area. † Fish, poultry and shellfish dishes may contain bones and/or shell. Scampi may contain one or more tail per piece. *All stated weights are approximate before cooking. Our dishes are prepared in kitchens where nuts and gluten are present as well as other allergens; we cannot guarantee that any food item is completely free from traces of allergens, due to the risk of unexpected cross contamination. We do not include 'may contain' information. Our menu descriptions do not list all ingredients. Dishes may contain alcohol. Calorie counts are correct at the time of printing. This information has been provided to allow you to make an informed choice when dining with us. Children between 5-10 years old need around 1,800 calories a day, but this will vary by age and level of activity and some children will need less, and some will need more. Full nutrition information is available on our website. 1 of your 5 a day = 40-60g of fruit or vegetables, or 150ml pure juice. To ensure our customers have choice, temporary product substitutions may be required which can affect the calorie content listed for our dishes on the menu.
